

Horizon Scanner

All relevant changes in law and regulation, clearly explained and prioritised for action

What is NRF Horizon Scanner?

NRF Horizon Scanner is a digital service that helps you to successfully navigate a wide variety of regulatory and legal change. You receive email alerts which are tailored to your business and explain the significance of forthcoming changes and recommend actions. Updates are organised in your own custom portal for future reference and reporting.

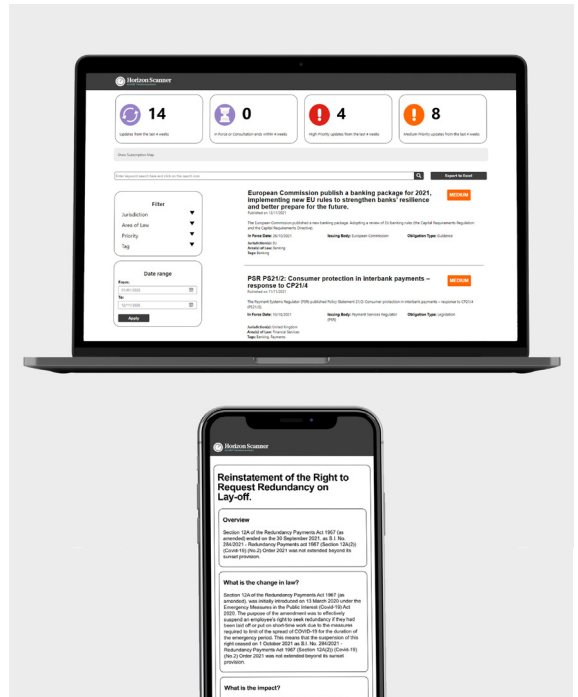

Who produces it?

NRF's global team of lawyers track and consolidate the important developments, explain their impact on your business and recommend next steps. We use lawyers in partner firms where additional expertise is required. NRF's knowledge team monitor all alerts to ensure consistency and high quality.

Who subscribes?

In house legal, compliance and business teams who need a simple, structured and comprehensive solution to the challenge of horizon scanning in order to avoid increased regulatory scrutiny, criminal prosecutions, large fines and reputational damage. Developed with input from over 20 organisations, NRF Horizon Scanner is designed for use by a range of sectors from large financial institutions to high growth technology businesses and can track any field of law in any jurisdiction.

Why subscribe?

Reduce risk

We write an impact analysis, identify implications of breach, recommend actions and suggest a priority rating for every upcoming issue, allowing you to manage risk proportionately.

Increase productivity, save costs

By offloading the administrative burden of information collection, in-house teams can dedicate more time to solving problems and instilling best practice.

Tailored to fit

NRF works with you to ensure your alerts are tailored to your specific business needs.

Prepare for the future

We identify and analyse future issues, allowing you to manage and communicate risks and opportunities at the earliest possible stage and plan accordingly.

Peace of mind

Access and track all developments in all jurisdictions relevant to your business in one secure portal which is designed to ensure you can search, browse and share all updates.
